Foreword

With this annual it is our intent to keep alive the highlights as well as many of the little memories of this past year. May this 1962 SESPRISCHOAN always serve as a reminder of that wonderful year.

In Memory

In the early years of our school life, she guided our steps aright. The memory of her kindness, patience, and understanding has enabled us to undertake new responsibilities. Today she lives in our hearts as a model teacher and friend. The memory of MRS. LOUISE JONES GURLEY will linger with all of us—the class of 1962.

Dedication

With deepest appreciation for his sincere interest in students and his faithful devotion to duty, we, the members of the class of 1962, take great pride in dedicating this 1962 edition of the *SESPRISCHOAN* to our loyal friend, inspiring teacher and principal, MR. MARK HODGES HERRING, JR.

Class Poem

Tonight is our last night
at dear ole Seven Springs High.
We find it's not so easy
when we start to say good-by.
Some of us are happy,
some of us are sad.
But most of all we remember,
the times that we have had.
For we have shared so many things
throughout the past 12 years.
That we could hardly leave without
shedding a few tears.
Now the time has come and
we will drift apart.
To all our parents, teachers, friends, and classmates
who have helped make possible this night
We say a warm good-by
from deep within our hearts.

Class History

In September, 1950, a group of bewildered students entered the first grade under the guidance of Miss Ella Gillerlain. During the remaining seven years of elementary school our teachers were: Mrs. Louise Gurley, Second Grade; Mrs. Eula Bass, Third Grade; Mrs. Alma Grady, Fourth Grade; Miss Evan Wrenn, Fifth Grade; Mrs. Juanita Herring, Sixth Grade; Mr. Clifton L. Turpin and Mr. Walter L. Creel, Seventh Grade; Mr. Mark Hodges Herring Jr., Eighth Grade.

The eight years we spent in elementary school taught us many things—the fundamentals of education, as well as the importance of friendship among our fellow students. In May, 1958 we graduated from elementary school into a greater field of knowledge, high school.

We entered high school in the fall of 1958 with Mr. Walter L. Creel as our home-room teacher. We elected the following class officers:

LINDA CARMACK.....President
BERTHA BENTON.....Vice President
LINDA GRADY.....Treasurer
KAY DAWSON.....Secretary
CHARLOTTE PRICE, GLENN FIELDS, MARILYN ROUSE.....Reporters

The most remembered event of our freshman year was our day at Kennel's Beach with Mr. Creel. Initiation into the F. H. A. for the girls and F. F. A. for the boys was much fun. Kay Dawson won first place in the F. H. A. Fashion Show. Charlotte Price served as Parliamentarian of the F. H. A. during this year.

Mr. Joseph Kearney was our home-room teacher in the tenth grade. Our officers were as follows:

KAY DAWSON.....President
BERTHA BENTON.....Vice President
TOMMY GURLEY.....Secretary
LINDA GRADY.....Treasurer
CHARLOTTE PRICE, EDDIE ADAMS.....Reporters

Charlotte Price won the Home Economics Award and was elected Varsity Queen. Linda Grady won first place in the F. H. A. Fashion Show.

Our Junior year with Mr. Gerald Waters, began with the election of our class officers:

CHARLOTTE PRICE.....President
BERTHA BENTON.....Vice President
KAY DAWSON.....Secretary
LINDA GRADY.....Treasurer
JOYCE FULGHUM.....Reporter

We selected "Mama's Baby Boy" as our Junior Play which was very successful. "Moon Light and Roses" was our theme for the Junior-Senior Banquet. Our Marshals were: Tommy Gurley, Chief; Linda Carmack, Louise Rogers, Glenn Fields, Marilyn Rouse, and Wanda Hester. Ten members of our class were tapped into the National Beta Club. Charlotte Price was chief cheerleader. Marilyn Rouse was co-captain of the girls' basketball team; Jerry Dale was co-captain of the boys' basketball team.

Twenty-two students entered school as seniors for the year 1961-62 under the guidance of Mrs. Imogene J. Price. Our officers this year were:

MARILYN ROUSE.....President
JERRY DALE.....Vice President
BERTHA BENTON.....Secretary
KAY DAWSON.....Treasurer
CHARLOTTE PRICE.....Reporter

The first great thrill of our senior year was the arrival of our class rings. After this we chose Neil Barwick and Di Anne Barwick for our mascots. Our Senior Play "Which Shall He Marry" was very successful and very much fun. Jerry Dale was again elected co-captain of the boys' basketball team. Linda Grady was elected Parliamentarian of the Seven Springs F. H. A. Chapter and was given the "Good Citizen," Daughters of the American Revolution Medal. Marilyn Rouse was elected Home-Coming Queen. Bertha Benton served as one of her attendants. Our most important project was our annual, the SESPRISCHOAN. Our editor was Linda Grady. This was a job which began in September and continued until the material was mailed in February. We all worked diligently on this.

Finally it was graduation time. Even though we had looked forward to this time for many years, there were mixed feelings among the students—some happy, some sad, some relieved but all regretful. We realized that our days at Seven Springs were ending and we would drift apart to face a new tomorrow.

Prophecy

It has been given unto me as the chosen one of this great and good people, the class of 1962, to dream strange dreams and see strange visions of the glories of the years yet to be.

As I look into the land of the future, the first thing I see is the city of Seven Springs, now a large and prosperous city.

As I come down Neuse Boulevard, I see ADAMS' SUPERETTE, I guess EDDIE took after his father. It looks like a large business. At the corner of Carefree and Twisting Avenues I find the most prosperous beauty salon of the time, operated by BERTHA BENTON. Oh, there comes KAY DAWSON, Hollywood's newest actress. She is here for the premier of her first movie, "COME A LITTLE CLOSER" opening tonight at the World Central Theater operated by BOBBY TAYLOR. By the way, GERALD JACKSON is starring with her.

As we turn off at Spring Road we see a large brick building. Why it's a bank. Its President is JACKIE BARWICK. The private secretary of the firm, CHARLOTTE PRICE, is also the top-notch bankteller in the state. Next we see the famous Spring House Hotel operated by MAJOR JONES. A super-jet Ford is turning in the drive. It is Elvis Presley's most famous songwriter, JOYCE FULGHUM. To the left we find GURLEYS' LABORATORIES. Tommy has just discovered the newest rocket-fuel. Incidentally LINWOOD MARTIN is his astronaut who tests only for TOMMY. We are glad to know that he made another successful trip.

As we approach the new highway constructed and designed by FIELDS' ENGINEERING FIRM owned by GLENN FIELDS, we see the newly built high school. JERRY DALE is the highest paid professor at the school. WILLARD BARWICK is the coach. By the way, his team has not lost a game in three years.

Next we see where the "SEVEN SPRINGS JOURNAL" is published. The editor of this famous magazine is MARCELLE LEE. She and her husband like this business. By the way, MIKE GRADY was the highlight of her last publication. He is the top driver at the Indianapolis Speedway.

As we leave the city and drive toward the country we see a huge brick home. This is the home of Mr. and Mrs. Donald Price. I wonder how LINDA is liking housekeeping.

Oh, there goes CLYDE DALY in his Thunderbird. He is a traveling salesman.

Next thing in sight is a big farm owned by FRANKLIN PRICE. His cows have their own crossing at the highway. The farm adjoining FRANKLIN's is owned by Mr. and Mrs. Bobby Whitfield. They seem to have had good luck with the tobacco this year. SALLY is an expert on the farm.

Well that gets everyone except GAIL McCULLEN. She is now in France with her husband, who is in the Air Force.

I suppose I'd better head for the airport where I go on duty as an airline hostess for the Pan American Airlines. I am glad to report that each of my classmates is doing fine.

Last Will and Testament

We the Seniors of 1962, being about to depart from our beloved high school and being greatly appreciative of the aid which has been given to us by faculty members and schoolmates, hereby make this our Last Will and Testament.

To our beloved teacher, Mrs. Imogene Price, we leave our apologies for all the worries we have caused her. We also leave our love and sincere thanks for being so patient and understanding with us.

To our Faculty Members, we wish to express our many thanks for the interest and leadership they have shown us during the past years.

To the buildings, furniture and buses, we leave our deepest sympathy after the care we gave them for the past twelve years.

To the Juniors, we leave our hopes that before long they will occupy the position that we now hold.

To the Sophomores, we leave all our excess energy and vitality to carry them through the next few years.

To the Freshmen, we leave our deepest sympathy for the road ahead that they must travel.

The following valuable personal bequests, freely and fully given should be treasured as a reminder of the generosity of the class and the individuals thereof. We hope these bequests, may be accepted, not as worthless things lavishly thrown away because we can no longer keep them, but as valuable assets to those who may receive them.

- I, BERTHA BENTON, will my ability to smile and keep my troubles to myself to June Price.
- I, LINWOOD MARTIN, will my history book and teacher to Durwood Whitman.

- I, LINDA GRADY, will my, headaches and understanding to anyone who is Editor of the Yearbook next year.
- I, EDDY ADAMS, will my freedom to go off to Gaye Garris, in hopes that one day she won't have to stay in the second cell on Prison Street.
- I, CHARLOTTE PRICE, will my ability to be Chief Cheerleader for two years to Mary Walton Grady, in hopes that she will have as many good times as I have in the past three years.

In this Age of Science, life is abundant. The average citizen enjoys a copious supply of industrial products, including Du Pont's "Better Things for Better Living...Through Chemistry." Each year, American Industry—through research, product development and operating improvements—continues to increase its output of goods and services. Our outlook for the future is indeed bright!

Challenges still undiscovered and opportunities unlimited await today's high school graduates who choose careers in science. In other fields, too, service to humanity will continue to nourish America's strength and freedom. Whatever you select as your life's work, best wishes for success and happiness as adult citizens.
